

# BUFFALO TRACE DISTILLERY

September 28<sup>th</sup>, 2006

Dear Friend of Buffalo Trace,

Many thanks for your purchase of Thomas H. Handy Sazerac, our uncut and unfiltered Straight Rye Whiskey. It is the first of its kind ever released from Buffalo Trace Distillery. We hope you and your customers enjoy the unique whiskey contained in these bottles.

Our Thomas H. Handy Sazerac Straight Rye Whiskey has been produced in response to consumer requests for more well-aged and barrel strength whiskey. This offering is comprised of barrels over 8 years and 5 months old. We filled these barrels at 125 proof back in 1998, but after years of aging the whiskey is now 132.7 proof.

The glass bottle chosen for Thomas H. Handy Sazerac is designed to showcase the whiskey's dark and rich color. The back label provides a full product story and description. Every case has been hand bottled and labeled to ensure the highest quality finish. The tissue paper has been added to protect the finished package.

On the reverse side of this letter you'll see a fact sheet about the barrels selected for this particular release. Hopefully you and your customers will find the intricate details of these particular barrels interesting.

Thank you again for your purchase of this very limited supply of Thomas H. Handy Sazerac. If we at Buffalo Trace Distillery can be of any further assistance please do not hesitate to make contact at the following numbers or e-mail addresses:
